Pre-financing & Guarantee Fund

If you wish to organise a conference, you have to consider various matters beforehand. After all, even before you receive the registration fees, you have to incur costs. You have to set up a foundation, for instance, you have to pay a deposit for the accommodation, and for making brochures or creating a website. In addition, it is uncertain whether the numbers of attendees will meet with your expectations.

The Pre-financing & Guarantee Fund (VGF) was set up to take away the financial concerns of conference organisers.

Why VGF? We offer you

- An interest-free loan of up to € 90,000, free of charge, to meet your initial costs;
- A guarantee for up to € 90,000 to set off losses due to attendance falling short of expectations;
- The possibility to use both schemes separately, or in combination.

Are you eligible?
